Delivery Strategy:

This program is delivered totally within an institution-based environment. This mode of delivery will combine theory-based material and practical sessions involving small discussion groups, individual and team activities and practical projects.

Throughout the entire training program participants will be provided with training and resource materials that contains various worksheets, handouts, additional reading materials (where required) and the assessment tasks.

These materials will be sourced from a variety of commercial providers such as Australian Training Products Limited and will also be developed in-house if no commercial materials are available.

Assessment Strategy:

Evidence is the term used to describe the information used to gain competency in each section of the course. It can be gathered in a variety of ways and the Trainer/Assessor will use a combination of these methods throughout and at the conclusion of the learning program.

In some situations the trainer/assessor will have number of different types of assessment activities to choose from and will be required to conduct a minimum of three assessments to judge competency in certain units. Due to the nature of some units the number of assessment required will vary and the trainer/assessor will inform the students of the number being undertaken.

The assessment matrix identifies the type of evidence that will be collected to enable judgments to be made about student's success in units of competency.

Assessments are conducted at various points though out a unit. It is at the discretion of the trainer/assessor as when these occur. This decision is based upon when an agreement is reach between both the trainer/assessor and the individual student.

Assessment Outcome:

Students will be marked either Competent (C) or Not yet Competent (NYC) for each unit of competency.

Customisation:

This program has been designed to provide the best outcome for those seeking this qualification and to enable them to work in a variety of hairdressing environments.

The program and its learning and assessment materials maybe subject to customization to suit the needs of individual clients where these needs have been identified.

This customisation will occur on a case by case basis and will be conducted in consultation with the relevant individual

Recognition of Prior Learning:

Have you worked or studied in this field before? RPL allows you the opportunity to be recognised for skills, experience and study that you may have already attained.
